5. **Ongoing Business**
 - a. Status update on the street painting – ****Committee Focus Point****
 - Waiting for OCSD officials to approve the progress so far
 - Reviewing one-way roads per our PD however getting started on the 2-way roads and 3 & 4 way stops.
 - b. Speed Limit Signs – Only need one at front and it was ordered. (30” Community Speed 10 mph)
 - c. Children at Play signs – T. Schmalenburger purchased 2 and placed them by the double speed bumps.
 - d. Monthly blurb for the gazette –
 - e. Perimeter Fencing on Southwestern border of park (1000 block)
 - Due to litigation, attorneys have advised both sides to limit action until completed.
 - f. National Night Out – missed August Gazette cutoff, but confirmed for September and October publication.
 - g. HOA for neighborhood behind 1000 block fence. C. Baumgartner and D. Peck have tried to call the President multiple times with no answer or response.
 - h. Pedestrian Gate – Get gate working to hopefully stop foot traffic from messing up the sensors for Vgates.
 - i. Vgates – up and running
 - Gates are staying in up position or not opening at all.
 - j. Gate arm research – ****Committee Focus Point****
 - T. Drake is researching Bi-fold gates.
 - Can we change the gate arms if we keep them “bar” style?
 - What were the original Yogi Bear gates? We can go back to the original.
 - k. Gatehouse staffing – Guards will remain until Knock box is added for Emergency Vehicles.
 - l. Spanish language signs for pool – ordered
 - m. Key fobs for pool entrance gate - Running wires to Pool gates to set up for key fob entry while pool is closed.
 - n. Pool bathhouse open 24/7 – revisit after doors are completed.
6. **New Business**
